

LIVING HARMONY CENTRE

SLOVENIA

## HARMONISE, ENERGISE, TRANSFORM

Retreats, Seminars, Workshops, Conferences  
and Centre Hire

The Living Harmony Centre, set in over 3 acres of land, is situated in a region of outstanding natural beauty in the East of Slovenia. This centre of excellence has been specially designed and harmonised according to Feng Shui and Living Harmony principles to help people reconnect with nature, honour their true self, and to provide solace for the soul.

This residential complex is available for anyone wishing to run or attend retreats, courses, workshops, seminars or conferences for the purpose of enhancing spiritual development, healing, or appreciation of the natural environment. Those attending courses can expect to experience powerful facilitators such as Don Conreux, Richard Creightmore, David Furlong, Carolyn Cowan...

*"After the profound experience, I find openings each day. The building is so powerful; a place I wished to find for millennia. Thank you for the grace & space of all beautiful things."*

*With love and gratitude (J.L., Kent)*
